FOLIO China Community

Chinese Alliance for Library Service Platform

FOLIO China Community

- The Chinese Alliance for Library Service Platform (CALSP)
- CALSP = Yunhan Community = FOLIO China Community
- The logo
- The co-founders
 - <u>Shanghai Library (Institute of Science&Technical Information of Shanghai)</u>
 - Public & Academic
 - 2nd largest library in China (after the National Library of China)
 - 1st library in CALSP that has been officially live on FOLIO
 - Keven Liu, Deputy Director of SHL/CALSP leader/OLF board member/Community Council member
 - Jiangsu Jiatu Network Technology Co., Ltd.
 - A high-tech company that has been working on FOLIO since 2018
 - A team of 80 people have dedicated to the dev/testing/deployment/support services for Yunhan/FOLIO
 - The general contractor of Shanghai Library's FOLIO project
 - Shanghai Jiao Tong University Library
 - A member of the International Association of University Libraries
 - Serves as centers and secretariats in many national and regional library alliances
 - The Library is actively preparing to launch ERM

FOLIO China Community

• <u>The members</u>

- 16 libraries (9 academic + 7 public)
- 13 vendors
- The Expert Committee (46 members)
 - 36 appointed in October 2021
 - 9 appointed in July 2022
 - 1 and more to be appointed
- Working groups
 - Yunhan Demo
 - ERM
 - Smart Space
 - LDP
 - Acquisition
 - Circulation
 - Online Circulation
 - \circ and more

International Journal of Librarianship (IJoL) Special Issue on FOLIO

### **Supporting the FOLIO Community**

- Joining the FOLIO Community
  - Member institutions
  - Membership fees (Multi-year membership dues payment)
- Involvement in decision-making
  - $\circ$   $\,$  CC and PC members
  - Surveys
- <u>Supporting development</u>
  - Reporting errors
  - Proposing features
  - Joining in development teams
  - Taking tasks
  - Sharing code
- Willing to contribute developers and help develop modules/apps
  - Need training and guidance from the community
  - Hope to see clearer direction/roadmap

# FOLIO Apps in Shanghai library

Chinese Alliance for Library Service Platform

# Who we are

#### Public library, Research library, Libraries Alliance

- Shanghai library and Shanghai library alliance
- 400 branches and service points in Shanghai libraries alliance
- 6 M readers, 40 M items, 70 M circulations annually
- 365 x 24 service hours

#### New building, New service

- Shanghai library East (115,000 square meters, 6000 seats)
- 700 events annually

# ILS more than 20 years history

Shanghai library

Difficulties

Stovepipe software application

# Shanghai library alliance

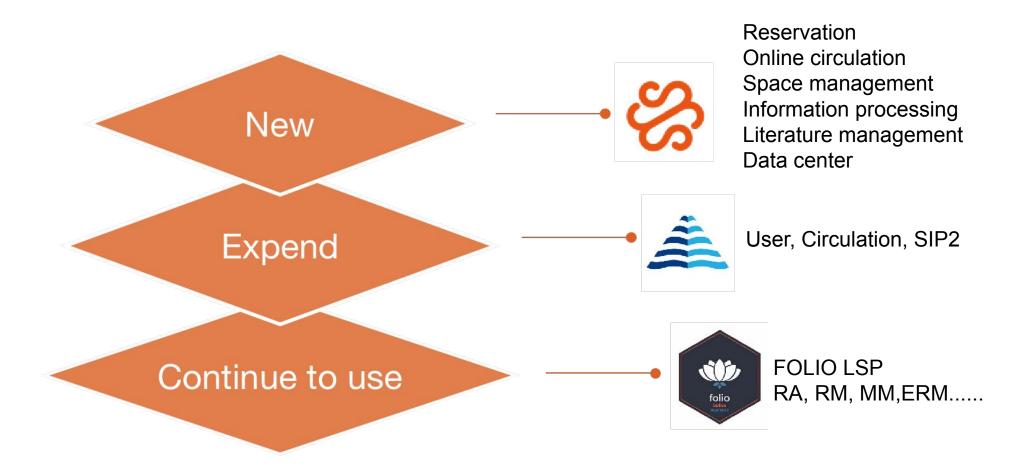

- Can not develop their own applications
- Innovative business needs, online circulation, event management

# Architecture

Server resource: hyper-converged server Technology middleware: API platform Data governance and analytics: Data center

- Sept 2020 Item management
- **April 2021** Circulation(close stack), VuFind
- **July 2021** Circulation(open stack)
- April 2022 Reservation(Full scenario), Unified portal pilot ran
- **July 2022** Smart space applications pilot ran

### Circulation

Customization for Alliance

#### User

OAuth certification

### **Synchronization**

- Users, inventory, loan, fee
- Grayscale switching
- Push data in real-time data and timing between FOLIO and legacy system

# New apps: Reservation with all resources

# 診口潮

#### **All entries**

- Portal
- Mobile App
- Mini apps and Official accounts(Wechat)

#### All resources and services

- Admission, Book, Event, Seat, Conference, Parking
- **Connect to FOLIO LSP of Shanghai library** 
  - Circulation
  - Navigation
  - Event

# **New apps: Navigation**

#### Scenario

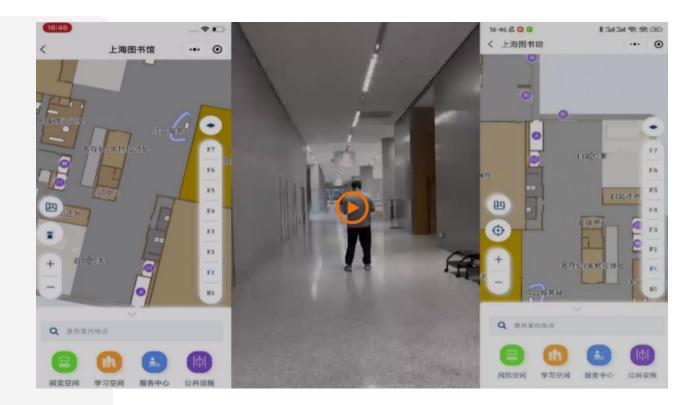

• Locate the book, service, exhibition

#### **Technology**

Geomagnetic, bluetooth, AOA

### **Connect to FOLIO LSP of Shanghai library**

- Reservation
- Smart shelves
- Inventory robot

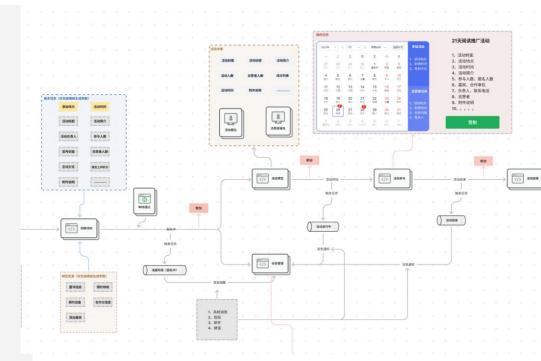

# New apps: Reading promotion

#### Full process management of activities

Virtual workspace that organize space, people, resource

- Open space, conference, exhibition
- Book, microgroove, photo, chorography, genealogy
- Patron, speaker, volunteers

### Shanghai library
